Stealth Computer Corporation Wins System Builder of the Year in Microsoft Partner Program IMPACT Awards

Microsoft Partners Program IMPACT Awards Honour Microsoft's top resellers and solution providers

Toronto, Canada ~ October 25, 2005 – [Stealth Computer Corporation](http://www.stealthcomputer.com) a leading ISO 9001 manufacturer of specialized computers and peripherals has announced today that it has been selected as the winner in the **System Builder of the Year** category at the 2005 Microsoft Partner Program IMPACT Awards. The third annual IMPACT awards recognize excellence across the large and diverse community of Canadian resellers and solution providers. Hundreds of entries were submitted by technology partners from across Canada. The winners were announced at a gala event in Toronto on October 20, 2005.

"We are thrilled that **Stealth Computer Corporation** has won a 2005 Microsoft Partner Program IMPACT award. As true leaders in their fields, technology partners continue to deliver to customers the solutions they need to help perform at an optimal level," said Lora Gernon, Director of Partner Sales, Microsoft Canada Co. "Our annual IMPACT Awards is an opportunity to celebrate top technology partners who have demonstrated innovation and shown true dedication through their tremendous support and service to customers."

Stealth was chosen as the winner in System Builder of the Year for an application that utilizes their small form factor PC's. Stealth's Little PC products are small rugged computers that can easily be deployed in space-challenged areas and still provide extreme computing power and performance usually found only in bulky desktop PCs. "We are extremely honoured to receive this award in recognition of System Builder of the Year. To be recognized by a world-class company like Microsoft is an achievement that everyone in our company can be proud," stated Ed Boutilier, President & CEO of Stealth Computer Corporation.

Stealth along with other technology partner winners and finalists in each of the award categories was honored at a gala event in Toronto on October 20, 2005.

About the Microsoft Partner Program IMPACT Awards

In 2003, Microsoft Canada replaced all of its previous technology partner awards with a unified program that also recognizes customer service, marketing, and contribution to the community. Microsoft Canada has outlined 32 categories to highlight the Partner Program competencies to honor the achievements of top technology partners.

Microsoft Partner Program IMPACT Awards were open to Systems Integrators, Large Account Resellers, Direct Market Resellers, Value Added Resellers, Distributors, Systems Builders, Certified Partners for Learning Solutions, Microsoft Certified Partners, Independent Software Vendors, Channel Suppliers, Microsoft Business Solutions (MBS) Partners and Original Equipment Manufacturers.
